

Connecting Two Texts

Reading two passages together

Grade 3 • Cluster 5 • Module 1

WHAT WE ARE LEARNING

This week your child is learning to read **two texts together** and find how the ideas connect across both.

Esta semana su hijo aprende a leer dos textos juntos y hallar como se conectan las ideas.

NOTICE IT TOGETHER

Read two short things together, two recipes, two news bits, and ask your child what they have in common.

Lean dos textos cortos juntos y pregunte que tienen en comun.

TALK ABOUT IT

Ask your child: "What idea shows up in both, and how are the two different?"

Pregunte: que idea aparece en ambos y en que se diferencian?

TRY THIS TOGETHER (NO MATERIALS NEEDED)

Play **Same and Different**. Pick two things you both know, two animals, two games, and take turns naming one way they are alike and one way they differ.

Jueguen a Igual y Diferente. Elijan dos cosas y por turnos digan un parecido y una diferencia.

How to help without giving the answer. Just keep the two side by side. Asking how they are alike and different is the whole paired-reading skill.
