

Whose Voice Is This?

The speaker, the emotion, the experience

Grade 3 • Cluster 7 • Module 2

WHAT WE ARE LEARNING

This week your child is learning to notice **who is speaking** in a poem and what they are feeling and experiencing.

Esta semana su hijo aprende a notar quien habla en un poema y que siente.

NOTICE IT TOGETHER

When you hear a song, ask your child who is speaking in it and what that person is going through.

Al oír una canción, pregunte quien habla y que le pasa.

TALK ABOUT IT

Ask your child: **"Who is speaking here, and how do you think they feel?"**

Pregunte: quien habla aquí y como crees que se siente?

TRY THIS TOGETHER (NO MATERIALS NEEDED)

Play **Be the Voice**. Read a line as if you were the speaker, then have your child guess who that speaker is and how they feel.

Jueguen a Se la Voz. Lea una línea como el hablante y su hijo adivina quien es y como se siente.

How to help without giving the answer. Just wonder together about the speaker. Noticing whose voice it is deepens everything your child reads.
