

One Paper, One Proof, One Community

Bringing the research together

Grade 3 • Cluster 8 • Module 4

WHAT WE ARE LEARNING

This week your child brings the whole research project together into **one clear paper**, and thinks about what it means for their community.

Esta semana su hijo reúne toda la investigación en un solo escrito claro.

NOTICE IT TOGETHER

After learning something new, ask your child how it could help people around them.

Al aprender algo nuevo, pregunte como podría ayudar a la gente cercana.

TALK ABOUT IT

Ask your child: **"If you shared what you learned, how could it help your community?"**

Pregunte: si compartieras lo que aprendiste, como ayudaría a tu comunidad?

TRY THIS TOGETHER (NO MATERIALS NEEDED)

Play **Share the Knowledge**. Your child teaches the family one thing they learned and one way it could help someone.

Jueguen a Comparte el Saber. Su hijo enseña algo que aprendió y como podría ayudar.

How to help without giving the answer. Just listen and ask who it could help. Ending research by sharing it makes the learning feel real and worthwhile.
