

Match the Writing Job to the Genre

Choosing the right kind of writing

Grade 3 • Prepare • Module 2

WHAT WE ARE LEARNING

This week your child is learning to **match the writing job to the genre**, knowing when a prompt calls for a story, an explanation, or an opinion.

Esta semana su hijo aprende a elegir el genero correcto: cuento, explicacion u opinion.

NOTICE IT TOGETHER

When you see any writing, a sign, a letter, a recipe, ask your child what kind it is and how they can tell.

Al ver cualquier texto, pregunte que tipo es y como lo sabe.

TALK ABOUT IT

Ask your child: "**How do you know whether the writer is telling a story, explaining, or giving an opinion?**"

Pregunte: como sabes si el autor cuenta, explica o da una opinion?

TRY THIS TOGETHER (NO MATERIALS NEEDED)

Play **Name That Genre**. Say a sentence, like "once upon a time" or "in my opinion," and have your child name the kind of writing it belongs to.

Jueguen a Nombra el Genero. Diga una oracion y su hijo nombra el tipo de escritura.

How to help without giving the answer. Keep it light. Just ask what makes them sure, so your child learns to spot the clues that mark each kind of writing.
