

4th Grade — Pacing Calendars

Teach BIG® Writing Curriculum • The Writing Academy®, LLC • Grade 4

Same rigor, three schedules. All three calendars teach the **identical 180 instructional days** of content — every cluster, every module, every standard. Nothing is cut. What changes is how those lessons are spread across your school year, so the program fits a 165-day, 180-day, or 210-day calendar without losing a single standard.

165-Day (Compressed)

For shorter calendars. The same lessons run in **18 teaching days per cluster** by double-blocking two lighter activities on a few days — denser days, never cut content — plus 3 showcase days.

180-Day (Standard)

The recommended pace: **one module per week** (5 GRADUATE days), **20 days per cluster**, Prepare through Cluster 8 in sequence.

210-Day (Extended)

For longer calendars. The full 20 teaching days per cluster **plus 3 spiral-review & extended-writing days** per cluster, with more time to reteach and deepen.
