

Life and Earth

Big Word Detective • Roots about living things and the earth.

INTRO

Roots run deep where the big words grow —
about life and the earth, here's what to know!

CHORUS

I'm the Big Word Detective, diggin' in the ground!
The root of the word is where the meaning's found!
Life and earth and sky above —
dig down deep to the words we love!

VERSE 1

BIO means LIFE — biology's alive!
GENE means BIRTH — where generations thrive!
GEO means EARTH — geography's the ground!
TERR means EARTH too — territory all around!

CHORUS

I'm the Big Word Detective, diggin' in the ground!
The root of the word is where the meaning's found!
Life and earth and sky above —
dig down deep to the words we love!

VERSE 2

PHOTO means LIGHT — a photograph so bright!
LUC means LIGHT too — translucent in the light!
CHRONO means TIME — a chronological line!
OMNI means ALL — omnivores dine just fine!

BRIDGE

Bio life, gene birth, geo and terr the earth!
Photo luc are light, chrono's time from birth!
Omni is all, bene good, dig down and you'll see —
pathy is feeling, the roots are the key!

CHORUS

I'm the Big Word Detective, diggin' in the ground!
The root of the word is where the meaning's found!

OUTRO

Dig it up! Big Word Detective, deep as can be!
